**WELCOME TO PAINTWORKS PRICE LIST****NEW EVEN LOWER PAINT PRICES AT PAINTWORKS.**

When we set up Paintworks it was with the intention of providing the artists of the East End with the art shop of their dreams, the best products at the best prices in a friendly, informed atmosphere.

A couple of decades have passed since then and whilst our range of materials has grown and we now have customers all over the country we are aware that there are other ways of buying art materials out there.

The perception of shopping in warehouses, big mail order catalogues and online is that it is cheap and, of course, sometimes it is (but don't always believe it's half price just because it says so).

We believe that our materials are the best, we hope you like the atmosphere and the service you find at Paintworks and now we'd like you to compare our paint prices again and realise that you don't have to choose between old fashioned friendly helpful service and cheapest prices.

AT PAINTWORKS YOU CAN HAVE IT ALL.

PRICE LISTS ON THE WEBSITE

We are not exacty computer wizards here at Paintworks but we are very enthusiastic about the materials we sell and welcome every opportunity to show them to our customers. We are also aware of our environmental responsibilities and see our website as a great way to provide more information about our range – including pictures, our opinions about them and prices – without printing thousands of paper catalogues every year and adding to the mail mountain. We have tried to include ALL of our materials in the PDF price lists which you can access on our site under RESOURCES and regularly change the special offers and add to the “what's new” section. In this way we endeavour to offer ALL of our customers and not just those who live close by the products we sell at the SAME PRICES. In fairness this means that we charge carriage at what it costs so that everybody is treated equally.

We urge you to use our online price lists but we know that not everybody can do this and will continue to produce our abridged version to post out.

NEW PRODUCTS

Since we printed our 2007 price list we have added many new products.

Our new Gallery stretchers have proved extremely popular and, encouraged by the thought that artists are returning to making their own canvasses, we have sourced a really good new 15oz cotton duck. This has had to be made for us as we were dissatisfied with what was available – we think we now have the best heavyweight canvas on the market. Having maintained our extremely cheap price on Talens Gesso, Paintworks is definitely a good place to start if you make your own canvasses.

We've improved our printmaking section with Permaset Aqua screen printing inks from Australia which are brilliant on t-shirts – the “super cover” ones will print on black in one coat and barely affect the softness of the fabric. Plus we have screens and squeegees. Have a look at our craft paint section for new fabric paints, pens and sprays.

Unable to resist artists' papers and pads we now have Saunders Waterford in 638g with a lovely smooth Hot Press surface, Khadi hand made coloured papers in stationery sizes plus quite a few new watercolour and drawing pads and books. Try these with our new lightfast, waterproof Pitt Artists' Pens in black, sepia and sanguine.

SAVE MONEY WITH OUR DISCOUNTS

The discounted prices indicated by PWP (or Paintworks Price) are achieved by negotiation and buying methods and never by a drop in quality. Our price list boasts some of the finest paints in the world.

In addition to the discounts given with PWP (Paintworks Prices), we have highly competitive quantity rates on paper and canvas. All other materials are subject to a 10% discount when you spend over £130 or 15% discount if your order exceeds £270.

We value our mail order customers and offer them the same good service, choice and prices as our shop customers. We will send practically anything we sell (there are certain restrictions on aerosols and inflammables) and charge carriage at what it costs us.

If any materials you buy from us are found to be faulty we will refund or replace them. If you wish to return perfect goods complete with purchase receipt we will exchange them or give you a credit note. In fairness to all our customers we DO NOT take back paper (as even the most careful handling can cause slight damage) or pens and aerosols (as we cannot guarantee that they have not been used).

Our Mail Order Terms and Conditions can be found in the PDF version of our Mail Order Form.

SOFT PASTELS & FIXATIVES

A unique and very delicate medium. The difference between the ranges is generally one of softness and colour intensity. The better quality pastels are much easier to handle and can be laid over lower layers with much less disturbance. Bright colours are more intense and the range is broader and better balanced.

REMBRANDT ARTISTS SOFT PASTELS

The worlds favourite pastel. An exquisite range of 203 non-gritty soft pastels made from the purest pigments held in an extremely fine binder.

Lightweight materials like tubes of paint and brushes are often cheaper by post.

Some heavy goods eg clay are prohibitively expensive to send.

Stretched canvases, papers and boards are better sent in multiples of a size rather than singly as the extra packaging needed for singles makes carriage more expensive
